LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

ORAL RELATIONS

I'm writing to tell you that there just aren't enough stories or letter about cunnilingus. Not just as a sex act but as a show of love between a man and his woman. So my story flows like this: Last night was our usual night of romance, baths and bed. My wife likes to prepare in advance of our oral lovemaking by bathing with scented oils and shaving and shaving her pussy real smooth.

I shower too, and soon we're in bed together and hugging. Our naked bodies relish in the feeling of skin on skin and our hands roam all over each other's bodies. But that doesn't last long. I work my way down her body, stopping momentarily at her boobs to lick and play with them. Soon, I'm down there where I began slowly licking her clit and sucking her labia and eventually starting tickling her holes and gently rubbing the spot between her pussy and asshole. She reaches a point where she had to have me stop or she would cum – too soon. I stopped and just in time. As I was sucking her clit, she moaned and said she didn't want to come yet. But all of a sudden she clenched up and attempted to close her legs.

A moment later, I was back between her legs, but this time she tasted slightly different. I really thought nothing of it and carried on licking her pussy and licking down to her asshole and tickling it with my tongue. Then again it happened so I had to immediately stop licking because she was about to cum. When I went back to it, she tasted that little bit off, just as before.

Finally, I let her have her full orgasm and it was a big one. She's had big climaxes before, so I felt flattered I could bring to one again. After she was done cumming, I came up and started kissing her and I rubbed my dick on the opening of her pussy, and before I knew it, my cock was sliding into her wet pussy and I climaxed inside her.

I fell back and we laid together, breathing hard and looking at the ceiling. Then she said something interesting. She told me that she squirted. I didn't know

what to say. This was the first time she said anything like this. Then she added that she did it twice. The first time a little less than the second. So that's why she wanted me to stop licking her. She was squirting. That's

SHE'S HAD BIG CLIMAXES BEFORE, SO I FELT FLATTERED I COULD BRING HER TO ONE AGAIN.

why she tasted a little different.

We laughed a little and I told her I thought it was great. That she shouldn't hold back if she's going to do it again. Then we discussed how it came about and she said she couldn't tell. Only that when I was licking her and I had a finger in her pussy, she felt it about to happen. I told her that we needed to try it again and find out how it happened, and if we did it, she should let it go. Just let me know in time to get my face out of the way. I managed to do things correctly and she squirted. I tried like hell to remember what I did.

– Alex, Santa Ana

GOTTA HAVE IT

I met up with this woman while on a business trip to Houston; a woman that I've known for about two years; apparently with an overwhelming oral fixation I've come to learn. After reacquainting ourselves over a few drinks and some dirty dancing, we were almost humping each other on the dance floor. I know she could feel just how hard I was through my pants. Soon she was getting even more friendly and she whispered she had forgotten something up in her hotel room and without a pause she grabbed my hand pulling me off the dance floor and out of the club.

After a quick elevator ride, we're in her hotel room, ripping each other's clothes down to the floor.

I devoured every inch of her body. Her large boobs were firm and her nipples stood out begging to be sucked. When I got to her wet pussy, she began to grind on my face and got even more soaked. It wasn't long before I slid my hard cock smoothly and slowly all the way into her soaking wet pussy for a few long strokes. My mouth and face were already covered with her sweet nectar as we kissed and she licked my face clean. Now my cock and balls were dripping wet with her nectar, too.

She wrapped her arms around me and rolled us both over so that she was on top. She rotated her body to get into a sixty-nine position and I immediately ate her wet pussy while I caressed her beautiful ass and breasts. She proceeded to slowly tease and torture my cock and balls with her mouth, tongue, teeth and hands, all the while telling me not to swallow her juices till she told me to. She teased me till I thought I couldn't hold off any longer. Then she would stop, letting me simmer, then start again, and again nibbling with her teeth with just the right sharpness and pressure to pleasure me but not enough to make me cum.

Meanwhile, I'm devouring her vibrating pussy with my tongue and lips, trying to tease her as much as she was teasing me. Then she decided that she was ready. She seemed to know exactly when we would both explode. When we

I KNOW SHE COULD FEEL HOW HARD I WAS THRU MY PANTS.

did, she took all my cum into her mouth as she squirted into mine, and all over my face. We continued to suck until both of us were completely empty. Then she spun around, her lips and chin wet with my cum; my mouth full and whole face covered in her musky sweet pussy juice. At the same time she wrapped her very wet upper thighs and pussy around my softening cock.

Apparently, not liking that, she reached down to my cock and started rubbing it again. I got very quickly hard as a rock again as I slipped easily into her hot soaking pussy. She pounded herself up and down on my hard cock and back and forth for a while until we both came again. I came in her mouth three more times that night as she did in mine. The last time, I didn't think I had anything left until, she started sucking so very softly until she felt my cock start to stir even more. She rolled us over so my butt was in the air and I could

fuck her loving mouth while eating her gushing pussy.

She slipped my now rock hard wet cock between her breasts and I fucked the wet space between them. I slid my cock and balls up to her face and she sucked on my balls and licked and gently nipped the area between my balls and asshole. Suddenly, and I don't know where she got it from, she stuck a well-lubed dildo in my ass and massaged my prostate with it as she pushed my cock back into her mouth as she sucked me off.

After that, I shot my longest and hardest jizz of the night. We spasmed together for a long five minutes. It was the dirtiest, wettest, messiest sex I've ever had. I haven't been able to get this experience out of my head and get the biggest hard on just at the thought of how incredible the sex was with her. We spent a few more days in and around the bed until the 'business trip' was

over. When I returned home, I had to spend a couple days in house rest, that's how much she wore me out. Next day at the office, I received a call from her saying she had to be in Houston again in three months. I told her I did too.

– Booker, NJ

GOING UP, GOING DOWN

We're newlyweds with problems already. My wife's twenty and I'm almost thirty. Before getting married we knew each other for only six months and didn't have much sex since we decided to get married early on and there would be plenty of time for it. What sex we did have was what could be called heavy petting and we had intercourse a couple times, too. But now it's six months into marriage and not once has she given me oral sex. Believe it or not we've shared all sorts of experiences together and have had sex in several interesting places and I've never complained. In fact it's been great – except for one thing...

All the times we've had sex together, not once has she been willing to go down on me. None of my past lovers has hesitated. It was just a normal part of our sex lives. And what's stranger is that she likes me going down on her. I've tried to discuss it with her, but she's unwilling and puts me off every time. In order not to frustrate myself even more, I let it go and we move on; until

our next lovemaking session and I have to go through this again. I try to keep the sex fun and interesting, but for me, having her lips and mouth around my cock is just something I've got to have. I believe it's something every man wants to have, and even expects to have. For us men, that doesn't seem unreasonable. What's strange is that she likes giving hand jobs and will tease me with her hand on my crotch just about anywhere we go. But...

Since I've known her, I've never asked her to do anything abnormal, sexually, but a short BJ here or there would be nice. I don't ask her to swallow, or to spray on her face or body, and I don't push her head down to my crotch. Just a little licking and sucking would work fine for me. I've read some articles in books and on the web about it but I don't feel any of it has helped. She will not see a therapist with me, or even alone. She has no moral or religious grounds not to do it. She just doesn't like doing it. Period. Basically, she does not see it as a problem. I do love her and I don't know if it's a deal breaker but if something doesn't happen soon...

JAYME LANGFORD

Jamye Is a ravishing redhead who is warm and giving. So why do all the girls hate her? "They are just jealous of me because I'm skinnier than them, and prettier than them!" Jamye reasons. "Plus, I fucked most of their boyfriends on the side. That doesn't make me a bad person. They don't have to be so mean about it! I want to be invited to parties too!" There's a party in our pants, Jamye. Are you cumming?

it wasn't a dessert after dinner treat

Scott and Marissa were headed to Jean Pierre's, a popular French restaurant on the west side of San Diego. Marissa really liked the French-ish decor and the large semi-circular, over-stuffed booths around the perimeter of the main dining room. With the long red tablecloths, no one could see what was happening below. Nor did anyone really care. Besides the food was great and the drinks were huge.

They were seated in a corner booth and ordered a couple vodka martinis to start. Their conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Marissa started to go a bit further than just rubbing Scott's leg. This time she went for the zipper, found it and zzzzzip, pulled it down in one swift move. "No underwear?" she whispered in Scott's ear. "Not tonight, honey," he replied. "That's funny, not me either," she said as she found his cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails on it.

Dinner lasted a long time. In a good way. It was the foreplay for the rest of the evening and morning.

That singular sensation almost made Scott cum, but she squeezed hard and stopped him.

Taking Scott's hand off the wine glass, she guides it under the table to her wet pussy. With no undies, she tells him to be quick because if she gets too wet, she'll stain her

dress and embarrass them on the way out. He says he doesn't care and they laugh. His fingers deftly find her pussy and finds no pubic hair, either.

"You're bald here?" he asks as he squeezes the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Then whispers, "Just for you." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." They both giggle and the waiter smiles and moves on.

Dinner over and they decide to head home. Scott pulls into her driveway about midnight and both are feeling warm and fuzzy. Marissa invites him in and takes him by the hand straight up to her bedroom. Inside, Marissa lets her long blue dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly frames her face

and her breasts are bigger than most and, as Scott will soon find out, quite firm. Her hips round and butt firm, and yes, she has a landing strip.

Marissa didn't say a word as she fell back on the bed, propping herself on her elbows and looking at Scott who had been taking this all in. She rolls over onto her belly and motions him to join her. In no time flat, Scott is naked and sitting on the bed beside her. He then kisses the back of her neck, dragging his fingers down along her back. He watches her back muscles flex and skin get goose bumps. He whispers "I am going to fuck that pussy and ass hard tonight but first I am going to suck on those boobs of yours. You have nice big firm tits and I love to suck tits." He pulled her close and began sucking each boob and nipple as his fingers found her fuck hole and invaded it.

As he sucked Marissa's boobs, he fingered her hard and deep feeling her pussy get wetter as he finger-fucked her deeper. Then he sucked a nipple harder and rubbed her clit, then pushed his fingers in again. He felt her pussy pulse as his fingers worked it hard. He then said to her "You want that pussy fucked, don't you? I want to feel you cum as I suck your boobs, too. I can't wait to stick my big cock in

This was a moment
he had spent the
past few months
fantasizing about.
And now here it was
all coming true right
there for him.

that pussy and ass. I am going to fuck you so hard and give you every inch of my big thick cock."

Marissa rolls on her side to put her head in his lap, instantly sucking in his cock. Scott falls back on the bed to give her better access to his cock and balls. She grabs them as she sucks down his meat rocket. He slips his hands around her boobs again and his fingers find her nipples and squeezes them

hard. She yelps and in return gently bites his cock, baring her teeth for him to see. He squeezes them again and she gulps the whole thing down and gives his scrotum a twist, that he finds painfully pleasurable.

Her lust was quickly becoming far too much for her to endure. Scott slides his hand up her legs and finds her swollen clit once more, massaging his fingertip over her quivering bud. This was a moment he had spent fantasizing about. Now it was all coming true right there for him. He plunged his fingers into the juicy depths of her pussy and finger-fucked her while she sucked him.

He sucked on her nipples and kissed and bit all over her boobs as his fingers worked her ass and pussy. He had her cumming hard as he fucked her pussy deep. He heard her moan and felt her cum cover his fingers as he whispered to her "You love that don't you? I am going to keep you cumming for a long time. Spread your legs, Marissa. I want to see that pussy of yours as I push my thick cock in it. I am going to fill you with my cock as I fuck you hard and deep.

I'm going to show you how I can make you cum till you scream for mercy. But no mercy for you tonight. We are here to fuck and fuck we will, long and hard. Now spread those legs and then pull your pussy

lips back so I can see that pink fuck hole." He watched Marissa spread her legs then pull her pussy lips back and he looked at her wet hole before he began to push his thick cock into her.

Soaked by her pussy juices, Scott's fingers begin exploring her perfectly tight butthole. In the dim light he can see a brown pucker quivering with anticipation and he does not deny it for long. Gently circling it, he plunges a finger in two knuckles deep. She moves her butt back to help push it in deeper. He obliges with another finger and leaves them there so her sphincter can get used to it's new guests. With short deliberate movements he massages her anus from the inside as Marissa squirms her butt with the sensations he's arousing.

Marissa's butt cheeks quivered as she felt her body entered. But the deep penetration she desperately wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon Scott so his cock could enter her ass. She pushes onto it with only a slight wince of pain from the initial widening of her small hole. Scott carefully pushes his shaft within the tight confines of her anus. With his fingers, he reaches around her and massages her

breasts pulling her tighter into him as he slowly but firmly pushes his cock all the way in her ass. She arches back with great pleasure and grinds her hips on his.

He plunges a couple fingers into Marissa's soaked pussy, pulling out his soaked fingers and bringing the sensual taste to her lips. His cock filled her and massaged her insides in the way she imagined. They remained on their sides, relaxing for the moment in the pleasure of one another's bodies and basking in the tingle

that ripples over their skin. Him with his cock imbedded in the warmth of her body, and her ass filled to the hilt with his cock.

But all this was not enough as Marissa's pussy was still empty and she wanted it filled. She lifts a pillow up and stashed under it is her trusty vibrator. She pulls Scott's fingers out and thrusts the vibe in her. Scott feels the odd sensations as well. She clutches one of the pillows as she holds the vibe inside her pussy. Her body begins to shake as her climax closes fast. Marissa pumps her ass back into Scott's big cock wildly as the orgasm envelopes her body and all is unnecessary in the world except this moment with this person.

Scott rides her climax gritting his teeth as he moans "I'm cumming!" through his clenched teeth. His final thrust spurts his love juice deep into her ass and fills her with the hot delight of his cum. Slowly she pulls away and his cock falls limp upon him. They lay together in the sweat of love juices on a bed drenched with their lust. Her sphincter sore but happy. His cock satisfied, but ready for more. They both lay on their backs as the heavy breathing subsides and Marissa reaches over to caress and hold Scott's balls in a gesture of appreciation for their contribution. They fall asleep and wake up that way in the morning.
